GOVERNMENTAL/CHARITABLE GIFT SOLICITATION WAIVER – APPLICATION FOR APPROVAL DIRECTIONS AND GENERAL INFORMATION

Note: *Bold-italicized terms* are defined at the end of these directions.

I. BACKGROUND

Section 6-26 {"Gifts: Solicitation prohibited"} of the Baltimore City Public Ethics Law, contained in Article 8 of the City Code, generally prohibits any *public servant* from soliciting or facilitating the solicitation of a *gift*, "whether on the *public servant*'s own behalf or on behalf of another *person*," from any *person* that the *public servant* "knows or has reason to know" is a *controlled donor*.

Section 6-27 {"Gifts: Acceptance prohibited"} further prohibits any *public servant* from accepting a *gift*, even if unsolicited, from any *person* that the *public servant* "knows or has reason to know" is a *controlled donor*.

These prohibitions have long been recognized to apply even if the "gift" is being solicited to support a governmental function or charitable endeavor. For this reason, City *public servants* should avoid broad solicitation efforts, such as fundraising, which could reach *controlled donors*.

An exception was enacted in 2005 to permit certain solicitations that are "for the benefit of an official governmental program or activity or a City-endorsed charitable function or activity" and have been pre-approved by the Ethics Board.

More recently, the Ethics Board adopted Regulation 06.26.1 to standardize and clarify the requirements and procedures for invoking this exception. (The full text of the Regulation is available on the Ethics Board's website: <https://ethics.baltimorecity.gov/gift-solicitation-waivers>.)

II. GENERAL STANDARDS FOR APPROVAL

Ethics Board Regulation 06.26.1(B) provides the following general standards for Ethics Board approval:

1. The solicitation must be for the exclusive benefit of a governmental or charitable function, program, or activity.
2. **The program, function, or activity to be benefitted and the proposed solicitation campaign must have been endorsed by the Board of Estimates or its designee(s).**

3. The solicitation must be directed at a broad range of potential donors and may not specially target *controlled donors*.
4. The campaign must be designed and conducted so as to avoid any suggestion that contributors might receive special access or favored treatment from any City *agency* or any *public servant*.
5. The solicitation must be approved in advance by the Ethics Board, on written request of the *sponsoring agency*.
6. The solicitation must be conducted in accordance with the terms and conditions of the Ethics Board's approval.

III. WHEN AND WHERE TO APPLY

An application for Ethics Board approval must be submitted to the Ethics Board at ethics@baltimorecity.gov at least 45 days before any *controlled donor* is solicited, directly or indirectly.

IV. ACTIVITY REPORTS AND RECORDS

The *sponsoring agency* must periodically report solicitation activities to the Ethics Board, in a form consistent with generally accepted standards in the practice of accounting¹, as follows:

1. A Final, Cumulative Report must be filed within 30 days after all solicitations have been made and anticipated donations received.
2. Interim Reports must be filed on the following schedule, depending on the aggregate value of donations sought by the campaign:
 - (i) for campaigns seeking \$50,000 or more in donations, once every 3 months;
 - (ii) for campaigns seeking between \$5,000 and \$50,000, once every 6 months; and
 - (iii) for campaigns seeking less than \$5,000, only the Final, Cumulative Report is required.

The *sponsoring agency* must make and maintain detailed records to assure complete reporting of all of the information required to be disclosed in the Reports. Activity reports must be signed as accurate by the *sponsoring agency* and *fiscal sponsor*. (See Form 627.)

V. FORMS AND INFORMATION

Additional forms and instructions for the application and activity reports are available on the Board's website at <https://ethics.baltimorecity.gov/gift-solicitation-waivers>.

Any questions about the waiver application and/or reporting process should be directed to Ethics Board staff at ethics@baltimorecity.gov or 410-396-7986.

PART B. PURPOSE OF PROPOSED SOLICITATION.

I. Identify the specific governmental or charitable program, function, or activity for which solicitations will be made.

All solicitations will be made to raise money to relieve food insecurity for port workers whose hours and wages may be significantly and long-term impacted by the collapse of the key bridge, to be dispersed in a variety of ways, including in concert with local area food banks, grocery stores and restaurants to offset the cost of meals and groceries. Solicitations may also be made to restaurants to encourage in-kind donation via reduced cost of meals for impacted workers.

II. Describe the specific purposes to which contributions and other receipts will be applied.

Money contributed will be distributed in a potential variety of strategies, including directly to local area food banks to help restock their shelves, as well as to defray costs of trips to the grocery store. There is also the potential that funds could be used to help local restaurants offset reduced cost of meals for impacted workers or for delivery of food to those impacted workers. Contributions to this fund would be applied solely to address issues of food insecurity for these workers via access to food and (possibly) delivery of food.

III. Select the appropriate range for the aggregate value of the contributions sought:

- \$500,000 or more
- Between \$150,000 and \$500,000
- Between \$50,000 and \$150,000
- Between \$5,000 and \$50,000
- Less than \$5,000

I. Proposed starting date of solicitation efforts: April 9, 2024

II. Proposed ending date of solicitation efforts: August 9, 2024

III. Describe the categories of persons to be solicited and by whom and how those solicitations will be made.

This campaign will target individuals, local businesses and foundations who are deeply concerned by the long-term food insecurity issues for affected port workers. This campaign will also collaborate with unions that support those workers and local area restaurants. Persons will be contacted via email, phone and social media.

IV. Identify all *public servants* and other individuals at the request of the *sponsoring agency* who will solicit contributions.

Councilmember Cohen and his staff will be soliciting contributions.

V. Describe measures to be taken to ensure that the solicitation (i) will be directed at a broad range of donors and (ii) will not specially target *controlled donors*.

Prompted by the sheer outpouring of "How can I help?" requests that have come to our office since the collapse of the Key Bridge, we know that there is an incredibly broad swath of the public who want to support those directly impacted by the collapse - both the victims and their families as well as port workers. We will create a social media campaign to ensure that anyone who wants to participate in efforts to support these workers, related to food insecurity, know about this campaign. In addition, we reference the annual list of the city's controlled donors when sending out any campaign and do not seek donations from those entities.

VI. Describe measures to be taken to avoid any suggestion that contributors might receive special access or favored treatment from any *agency* or *public servant* of the City.

Our office will not have any control of these dollars, as they will directly go to our fiscal sponsor to be divided and dispersed by a partnering Community Benefits Organization. At the time of donation, our office will reiterate that any money contributed to the fund is expressly and singularly for the benefit of the individuals impacted by the Key Bridge collapse, and will have no bearing on the donor's relationships with any agency or public servant of the City.
